EXPLORE NEW CALEDONIA

Situated in the district of Bourail, on the central-west coast of the mainland, enjoy our unique South Pacific island location at the base of the Deva domain with its hills and valleys facing the translucent blue waters of the UNESCO World Heritage barrier reef and lagoon.

The domain spreads its incredible beauty across nearly 8,000 hectares. The region is comprised of lush farm land, dry forest, glistening sandy beaches, and the iconic azure waters of the south-west Pacific.

With direct access to 13 kms of white sand beach plus endless hiking, biking and horseback riding trails plus a wide selection of water activities, we are the ideal choice for business retreats just 90 minutes north of La Tontouta international airport.
